PEACE

Salem State College first opened in 1854 as the State Normal School at Salem, in the old Registry of Deeds at the corner of Broad Street and Summer Street. The School moved to its present address in 1896, and it consisted of one building then known as the Academic Building. In 1913 the Training School was built and in 1935 it was renamed the Horace Mann Training School. At this time, building was halted and all attention was focused on the academic and extra-curricular activities of the students.

In 1932 the formal name of the college was changed to State Teachers College at Salem. In 1954, the name was again changed back to State College at Salem. In 1955 the campus began to take the shape of its present stature. In this year, a multi-purpose structure was built, housing administrative offices, a cafeteria, an auditorium, a library, and a gym.

The Business, Education, Arts and Science Building was erected in 1964, and in 1966 the two dormitories, the Campus Center, and the Bell Tower were added to the campus. In 1969 the Academic Building was dedicated to Edward A. Sullivan, thus renamed.

During the early seventies the college acquired many buildings, including South Campus, which opened in 1973, the Alumni House, the Education House, and the President's home. In 1974 the library was added to the Main Campus, and in 1976 the final architectural addition was made, the O'Keefe Sports Complex. In 1977 the Business, Education, Arts and Science Building was dedicated to Frederick A. Meier, and in 1988 the Campus Center was dedicated to George H. Ellison.

Within the time we have been here, we have seen the beautification of the college grounds as well as the addition of South Campus dorms. Through these changes, we have realized its potential for growth.

DEDICATION
ALBERT TOSCHES

The 1990 Clipper has been dedicated to a person who has shown his committment to Salem State College for twenty four years. He is a very important part of the Geography Department, not only as an Associate Professor, but in his capacity as student advisor and in curriculum development as well.

He has shown his dedication in many ways. He was a member of the Ad-Hoc committee for the establishment of the center for Ethic Studies, a member of the Ad-Hoc committee on Academic Advising, the advisor for the Student Government Association for three years, an advisor for the Geographical Society and a member of the Who's Who committee for many years.

Among his other accomplishments was his published statement presented to the subcommittee on Human Rights and International Organizations of the the Committee on Foreign Affairs, the U.S. House of Representatives in 1986 and the Superintendent of Documents in 1987. This was the "Disposition and Status of the Albanian Minority in Yugoslavia".

He was a member of the Danvers Historical Society and he has been there for the Program Council numerous times.

But most importantly we have chosen this person because he is admired and respected by the students of Salem State College.

We the yearbook staff are proud to dedicate the yearbook to Albert Tosches.

Special Recognition
The Child Care Center

The Child Care Center has given twenty years of service to the community. The Center was started in 1970 by a group of students, faculty and administrators who believed that quality child care is an important part of the college community. The Center has given the non-traditional student equal access to higher education and the opportunity to complete their education.

KENNETH J. MCILRAITH

Acting President Of Salem State College

Kenneth J. McIlraith assumed the post of Acting President of Salem State College on May 18, 1989. Immediately prior to this, he served as one of eleven members of the Board of Trustees of the College. He served as acting president until the search for a permanent president could be completed, and he did so for no compensation.

McIlraith is well known to the North Shore business community as former president of Essex Bank, a position he held from 1969 to 1984, until Essex Bancorp, Inc. and the Conifer Group Inc. of Worcester merged. He then served as president and CEO of the Conifer Group Inc. until 1987, when Conifer was acquired by the Bank of New England. McIlraith stayed on as Vice-chairman of the Bank of New England, a post he retired from in 1988.

Born in Buffalo, N.Y., McIlraith was educated at the University of Pennsylvania in the Wharton School of Finance and Commerce, from which he received a B.S. in Economics and a Master's in Business Administration. Upon graduating, he worked for the Ford Motor Co. in Detroit before accepting a position as administrative Vice President and treasurer of Moog, Inc. Prior to joining Essex Bank as president in 1969, McIlraith served in a variety of executive and CEO positions.

McIlraith, who in 1981 was named the founding chairman of the Board of Trustees at SSC, was re-elected to that position in 1982, and was reappointed as a trustee in 1985 when his original term expired.

He has been active in a number of professional and community organizations including serving on the Governing Council of the American Bankers Association, acting as chairman of the Massachusetts Bankers Association, and being founding president of the North Shore Economics Council. He was also formerly past president of the Boy Scouts of America, North Bay Council, and senior warden of the Christ Church of Hamilton and Wenham.
